

Fill each column for each edit you'd like made to your video.

For "INSTRUCTIONS" describe the nature of the edit you'd like. These are some default actions that we can perform.

REMOVE: Remove that section of video entirely from the video

KEEP: Keep this section of video and remove everything else

DISSOLVE: Put in a dissolve transition between sections (can be combined with REMOVE)

TITLE: Insert title card. (Include the text you'd like inserted)

ADD: Insert other content into the section (include information in CONTENT)

CONTENT: Selection you'd like inserted at the ADD marker.

(Any Additions made need two rows, one for ADD, and one for CONTENT)
